Gift exchange cheat sheet

House rules for a white elephant swap, and a to-do list for the Secret Santa organiser.

White elephant: the usual rules

- ◇ Everyone brings one wrapped gift at the agreed price
- ◇ Draw numbers to set the order
- ◇ Player 1 opens a gift from the pile
- ◇ Each next player opens a new gift or steals one already opened
- ◇ Anyone who is robbed picks again: open or steal
- ◇ A gift can be stolen 3 times, then it’s locked
- ◇ No stealing back the gift just taken from you
- ◇ Player 1 gets one last swap at the end

Secret Santa: organiser checklist

- ◇ Set the budget and say it out loud
- ◇ Pick a date to swap gifts
- ◇ Hand out the questionnaire
- ◇ Draw names (or use an app)
- ◇ Check nobody drew themselves or their partner
- ◇ Send a reminder a week before
- ◇ Have one spare gift in case someone forgets
- ◇ Reveal who was whose Santa (or don’t)
